

CMAC 3990 –Systems Administration and Operations

Fall 2025 – Section 200

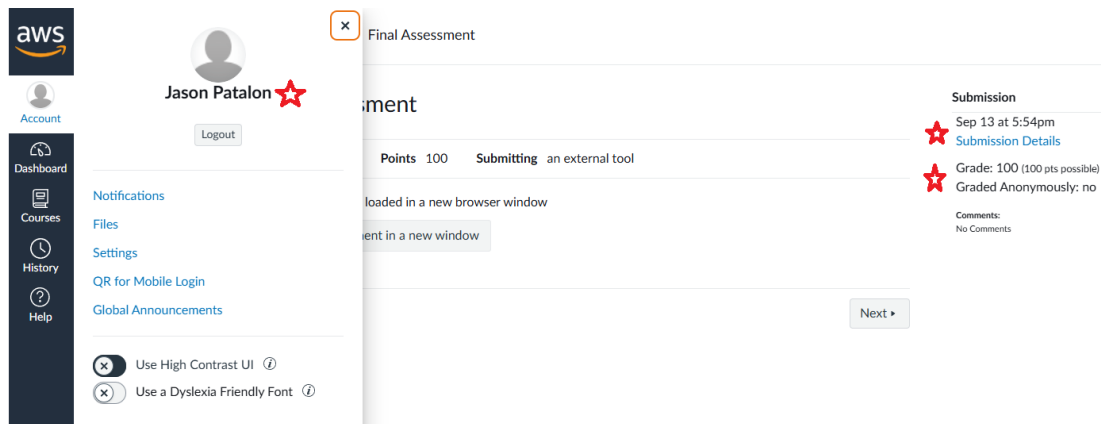

Assignment 5 – 50 points

Create an AWS Educate account using your Pennwest.edu email address if you do not already have one.

- <https://aws.amazon.com/education/awseducate>

Complete the **Introduction to the AWS Management Console** course (EDINCOv1EN-US).

- This consists of a series of videos and a “Final Assessment” knowledge check afterwards.
- **Note:** It is not required for you to create an AWS account, only the free Educate account.
- Take a screen capture of this course being completed within your AWS Educate dashboard and include it with your documentation. Ensure that your name and submission information are in your image.

Create a document explaining what you did and what you learned in this exercise with the screenshots and upload it in D2L to the Dropbox folder HW5.
